» SOURCING THE BEST COMMODITIES

# OUR POSITION

## VISION

To be a leading commodities company providing the best products to our customers.

## MISSION

To provide world class quality products through collaborating with the best growers, suppliers and service providers.

## VALUES

Our business is about health, work ethic, culture, intellect and transforming the food system. Caring, respectful relationships are the key to a sustainable future both for our business and for the planet it serves. We are dedicated to fostering such relationships with our clients, suppliers and service providers.

## STRENGTHS

The ability to combine multi-disciplinary expertise in delivering client requirements. From ordering through sourcing and supply, we offer complete solutions to meet short, medium and long-term requirements.

## PROFESSIONAL SERVICES

Okwethu Investments provides its customers with a range of services in the commodities supply chain. Sourcing, supply, logistics and storage facilities.

Our services are underpinned by **4 KEY VALUES** ~

- » **QUALITY**
- » **COST**
- » **EXCELLENCE**
- » **DELIVERY SPEED/FLEXIBILITY**

## COMPANY OVERVIEW

**OKWETHU INVESTMENTS** is a wholly black owned company based in KwaZulu-Natal. We are a vibrant, experienced and multi – skilled team of professionals who are passionate about turning our client’s challenges into cutting edge competitive advantages. Driven by shared values, core to our ethos is quality and client-centricity in everything we do. Our pride is in breaking new ground where others dare through innovative, creative and thought leading solutions. We adapt efficient, practical and fresh approaches to how our clients do business through an engaging process.

Our global geographical reach is made of a deeply skilled focused network of high impact professional partnerships and synergies across Africa. We have versatile experienced and dynamic team that ensures service solutions provided to the clients are in line with our client promise.

Okwethu Investments is a company committed to continuously and consistently provide innovative solutions to the diverse needs of our clients. We tailor – make our services and products to best fit all manner of business or governments. From our perspective, our clients are the lifeblood of our business.

Furthermore our good corporate citizenship acknowledges the contribution we continue making to our society through our core business and social investments.

Therefore we reiterate our commitment to behave ethically and continue to contribute to the economic development of our country, continent and planet, while improving the quality of life of our clients and communities.

## COMPANY STRENGTHS

Okwethu Investments is an entity that specializes in the sourcing and supply of high quality food commodities and distributing them in Africa. It believes that the demand for food products is increasing worldwide, climate change and renewable energy have introduced a new dimension to agriculture and agricultural trade regimes are changing worldwide. The business has considerable expertise in agriculture, finance, operations, water and sustainability. It is well positioned to capitalise on emerging opportunities for expansion and growth in Africa, with unconstrained access to world markets.

**Key elements of its growth plan relate to the following:**

- » **Access to storage facilities in major hubs**
- » **Access to cost effective logistics services**
- » **Access to funding, cash flow and balance sheet optimisation**
- » **Building solid relationships with Producers, Suppliers and Customers**
- » **Currently focussing on Sugar, Rice and Beans**

The business continues to build on its ongoing commitment to operating responsibly and supporting long term sustainability through strong performance. The company considers the management of its environmental, social and economic risks and opportunities as being fundamental to its future success. This commitment has been reinforced through continued improvement in the company’s engagement with stakeholders regarding the value that the organisation is contributing to society at large.

## OUR STAFF

Okwethu is led by an independent group of influential business leaders, who work together to promote the sustainable economic development and long-term well-being of the organisation. We are a vibrant, experienced and multi-skilled team of professionals who are passionate about turning our client's challenges into cutting edge competitive advantages. Driven by shared values, core to our ethos is quality and client-centricity in everything we do.
